Dear Bill,

On returning to Washington I found your nice note awaiting me. Just wanted to say thanks for that and how great it was to have even a fleeting visit with you and Penny in San Francisco.

Beyond that, we do hope we'll be able to get together in August. Unfortunately, I think we will be out of the city a good portion of that month on vacation and official travel, but let's keep our fingers crossed that we can make the schedules mesh. Let us know when you can.

All the best.

Yours,
